Junior WordPress Developer – Sigmaflux

Company: Sigmaflux
Experience Required: 0.6 – 1.5 Years
Location: Eternity Mall, Teen Hath Naka, Thane (W)
Work Mode: Work from Office (Mon–Sat, 9 AM – 6 PM)
Employment Type: Full-time

About Sigmaflux

Sigmaflux is a digital growth agency specialising in Website Development, SEO, Google Ads and performance-driven digital marketing. We work closely with brands to build structured, business-focused websites and marketing ecosystems.

Job Summary

We are looking for a **Junior WordPress Developer** who has hands-on experience with **WordPress, Elementor and basic WooCommerce**. The ideal candidate should be detail-oriented, technically sound, and keen to learn and grow by working on real-world client projects.

A basic understanding of **ACF (Advanced Custom Fields)** will be preferred.

Key Responsibilities

- Design, build and maintain WordPress websites
- Work with **Elementor / Gutenberg / WPBakery** to create page layouts
- Customise themes and plugins as per project requirements
- Ensure responsive design and browser compatibility
- Implement basic on-page SEO elements (meta tags, alt text, schema etc.)
- Assist with speed optimisation and technical improvements
- Upload content and manage backend layouts
- Troubleshoot website issues and perform regular updates
- Collaborate with developers, designers and content teams
- Perform basic QA testing before website launch

Skills & Requirements

- Good knowledge of **WordPress CMS**
- Experience with **Elementor** (mandatory)
- Basic understanding of **WooCommerce**
- Basic familiarity with **ACF (Advanced Custom Fields)**
- Knowledge of HTML, CSS and basic JavaScript
- Familiarity with plugins like Yoast SEO, Contact Form 7 etc.
- Understanding of responsive web design
- Good communication and time-management skills

- Ability to learn quickly and follow structured processes

Preferred Qualifications

- Experience working on business websites or client projects
- Understanding of website best practices and UI/UX basics

Qualities We Value

- Attention to detail
- Logical problem-solving
- Professional work ethic
- Learning mindset
- Ownership and accountability

What We Offer

- Exposure to live client projects
- Opportunity to work closely with senior developers
- Structured learning and growth
- Supportive and collaborative work culture

Important Note

This is a **full-time on-site role in Thane**.
Agencies or candidates located outside Mumbai are requested **not to apply**.
